No. C-06-0735 MMC

**ORDER DENYING MOTION FOR
PARTIAL RELIEF FROM STAY AND
FOR PRELIMINARY INJUNCTION;
VACATING HEARING**

(Docket No. 57)

17

18   Before the Court is the motion filed June 5, 2007 by plaintiff Advanced Analogic

19   Technologies, Inc. ("AATI") to lift the stay of the instant action for purposes of entering a

20   preliminary injunction against defendant Linear Technology Corporation ("Linear").[1] In

21   particular, AATI seeks an order enjoining Linear from "publicly stating or implying that AATI

22   infringes, or has been found to infringe, either United States Patent No. 6,411,531 ('the

23   '531 patent') or United States Patent No. 6,580,258 ('the '258 patent')" and from "stating or

24   implying to any person or entity known to be a customer or potential customer of AATI that

25   AATI infringes, or has been found to infringe, either the '531 patent or the '258 patent."

26

27   [1] On October 5, 2006, the Court stayed the instant action pending resolution of an
interlocutory appeal to the Federal Circuit and conclusion of proceedings before the

28   International Trade Commission ("ITC"). On January 3, 2007, the Federal Circuit denied
the interlocutory appeal. (See Docket No. 54.) To date, the ITC proceedings have not
concluded.

1 Linear has filed opposition to the motion; AATI has filed a reply. Having considered the

2 papers filed in support of and in opposition to the motion, the Court finds the matter

3 appropriate for decision without oral argument, <u>see</u> Civil L.R. 7-1(b), and hereby VACATES

4 the July 27, 2007 hearing.

5   For the reasons set forth by Linear in its opposition, the motion is hereby DENIED.

6   This order terminates Docket No. 57.

7   **IT IS SO ORDERED.**

8 Dated: July 23, 2007   MAXINE M. CHESNEY
                                            United States District Judge
